An informative and keepsake Championship Program will be produced for the 2018 Men's Junior Olympic Championships. This commemorative program will contain athletes names, participating clubs and states represented. It will also contain schedules, rotations, score sheets and other information that will make Championship Week easier to navigate.

We invite you to participate in making this a special time for your favorite athlete/club and wish them "Good Luck" in this national competition. You can also promote your business to those attending and visiting the Oklahoma City area. Thousands will view this publication during the competition week.

All ads will be printed in black & white, except the outside back cover.
